Liloa V4701 cargo for Nuku'alofa

Dear Valued Customers,

On the 13th of April we informed you that we were chartering in the Liloa to run a single voyage from Auckland to Nuku'alofa and back to assist with the additional cargo booked on the Southern Lily V379.

We have received the news overnight that the Liloa will be out of service for a number of weeks due to urgent repairs that cannot be completed whilst she is floating and she will need to wait a slot at the nearest dry docking facility to complete these.

As a result, we have held back the Southern Lily V379 which was due to sail last night, to load part of the cargo that was booked on the Liloa V4701 and the balance will load on the Southern Trader V1380.

The delays to the Southern Lily V379 are reflected in the below schedule, but this will allow her to get back to her fixed day schedule loading in Auckland on Wednesday / Thursday every other week.

Vessel	Voy	Auckland	Nuku'alofa	Apia	Pago Pago
Southern Lily	379	17-20/04	24-25/04	27-28/04	28-28/04

We apologise for any inconvenience and thank you for your continued support.

Yours
sincerely
