MV" Shansi v 1813" port omissions

Dear Valued Customers,

We wish to advise that the MV" *Shansi v 1809*" has incurred delays within New Zealand and Brisbane, and PNG ports from heavy weather and port congestion during her current voyage.

This will regretfully delay her scheduled programme from previous advertised cargo delivery dates. In order to correct her delayed schedule we are required to omit Lautoka and Port Moresby on voyage 1813.

Your local representative will contact you with revised routing options within the Swire network to ensure suitable shipment timing is maintained.

The revised voyage dates are reflected below;

Port	ETA / ETD
Marsden Point	05-08 September
Auckland	08-09 September
Tauranga	10-12 September
Brisbane	16-18 September
Lae	22-24 September

All inbound cargo for Port Moresby on Shansi 1813 from New Zealand will be discharged in Brisbane for loading on board Highland Chief 1831N arriving in Brisbane 20th September then Port Moresby ETA 25th September.

Swire Shipping apologizes for any inconvenience, and appreciates your continued support. For further information please do not hesitate to contact your local representative.

Yours sincerely
