Trade Notice:

## **NZ to PNG Emergency Bunker Adjustment Factor**

Dear Valued Customer,

In the current high fuel price environment, Pacific Forum Line (PFL) wishes to advise all customers of the introduction of an emergency bunker adjustment factor (EBF) applicable to all shipments with a Bill of Lading dated on or after **15<sup>th</sup> June 2018**.

For quotes subject to the US Shipping Act, the EBF will only apply to shipments with a Bill of Lading dated on or after 6<sup>th</sup> July 2018.

TEU	USD 60
FEU	USD 120
RVT	USD 5

EBF is to be paid by the freight payer. These amounts will be re-evaluated on a monthly basis.

Pacific Forum Line (PFL) appreciates your continued support to enable us to maintain our market leading levels of service. For further information please do not hesitate to contact your local representative.

Yours Sincerely

**Pacific Forum Line**
