Notice to Shippers

Bunker Adjustment Factor (BAF) review NZ to Samoa's & Tonga Trade

Dear Valued Customers,

We wish to advise all customers of an adjustment to our current BAF on the New Zealand to Samoa's & Tonga service.

The changes reflect movements in the price of ships' bunker fuels over the previous quarter and the prices have continued to rise.

Our current Baf is +53.30% on this trade and the increases in fuel prices support a 1.64 point increase in Baf to a revised Baf level of +54.94%

The new BAF will come into effect from the 01/12/18 and therefore be applicable from the Southern Lily v441 loading Auckland on the 08-9/12.

Thank you for your continued support.

Yours Sincerely
