

**Trade Notice: Capitaine Dampier v104 nb – Tropical Cyclone Gita**

13<sup>th</sup> February 2018

Dear Valued Customers;

Pacific Forum Line (PFL) wishes to update our customers that following the changed weather conditions in the Pacific region through Tropical Cyclone “Gita” and with the safety of the vessel and crew in mind the master has altered the vessel course.

Based on the Capitaine Dampier long term schedule eta Suva the vessel will presently be approx 13 hours behind schedule however this could change with PFL undertaking to keep all customers apprised.

Latest schedule as follows;

Port	Eta / ETD
Suva	16-17/02
Lautoka	18-19/02

If there should be any further points of clarification please contact your local PFL local management team.

Yours sincerely,

**Pacific Forum Line**
