Implementation of Napier Port Access Charge for Napier Exports NZ – PNG tradelane

Dear Valued Customers,

Port of Napier is seeking to maximize their capability and build resilience by making significant investments to their existing infrastructure to improve the port capacity and productivity. Coupled with rising insurance costs, they have introduced new levies which consist of:

1. Insurance Levy of NZD5.25 per TEU
2. Infrastructure Levy of NZD22.75 per TEU

Therefore, Pacific Forum Line wishes to announce the implementation of a new Napier Port Access Charge, with an administrative fee for processing the levy. The charge quantum effect from 1st April 2019. For breakbulk shipments, customers are required to make payments for the levies to the Port of Napier directly.

Charges	20'	40'
Napier Port Access Charge	NZD28.00	NZD56.00
Shipping Administrative Fee	NZD6.50 (per Bill of Lading)	

Pacific Forum Line appreciates your continued support. Please contact your local customer service representative should you have any questions.

Thank you for your continued support.

Yours Sincerely

Pacific Forum Line
