KWANGSI v 2006N Tauranga Port Omission

Dear Valued Customers,

Due to unseasonably low cargo volumes expected into and out of Tauranga as a result of the COVID-19 Lockdown in New Zealand, it has been confirmed that the Kwangsi v 2006S/N will omit Tauranga.

Pacific Forum Line will make the following arrangements for Tauranga cargo:

Northbound - Voyage 2006N

Feeder all containers from Tauranga to Auckland to meet the Kwangsi. Cargo cut off in Tauranga will be 14th April.

Our local Pacific Forum Line team is committed to assisting with solutions as we collectively work through this difficult period together. We appreciate your on-going support during these challenging times.

Regards,
Pacific Forum Line
