SZECHUEN v 2011N Auckland Port Omission

Dear Valued Customers,

Please be advised that MV. SZECHUEN had experienced delays within her current voyage as a result of an urgent crew change required at Singapore for the seafarers, after a longer than usual period at sea looking after the vessel and cargo.

We wish the seafarers all the best as they finally able to join their families, which has been postponed from various COVID-19 country and flight restrictions.

As a result, SZECHUEN v.2011 will omit Auckland for schedule recovery and reliability purposes, this change will be reflected in our latest published schedules and all cargo will be rerouted within the network to minimize cargo delivery delays.

Pacific Forum Line endeavours to provide a reliable and sustainable service amidst the continuous disruptions caused by the global COVID-19 pandemic. We appreciate your on-going support and a member of our team will be in contact to discuss routing arrangements for your cargo.

Regards,
Pacific Forum Line
