### **Capitaine Cook v56 – Schedule rectification**

Dear Valued Customers,

Further to the dreadful weather conditions in Fiji resulting in operational delays, Neptune Pacific Line / Pacific Forum Line have reviewed and adjusted the schedule for the Capitaine Cook v 56 resulting in the omission of Suva, Fiji.

The cargo booked on the Capitaine Cook for Suva will be transferred over to the Capitaine Dampier v 75.

The adjusted schedule dates will be as follows:

<b>Vessel / Voy no.</b>	<b>TRG</b>	<b>AKL</b>	<b>SUV</b>	<b>LTK</b>
Capitaine Cook v56n	27/12/16	29/12/16	Omit	03/01/17
Capitaine Dampier v75n	30/12/16	31/12/16	6/01/17	08/01/17

The schedule rectification allows NPL / PFL to regain our fixed weekly departures. Any points of clarification please contact your local NPL / PFL management team.  
Yours Sincerely
