PFL, your Pacific Shipping Line

For over 46 years PFL have been committed to servicing the Pacific region, and we are excited to share our new and enhanced services. These enhancements align network capability and further strengthen connections to and from the Pacific nations we serve in support of our regional partners.

**Onforwarding and logistics support?
We're with you all the way.**

Benefit too from our logistics (including inland container transport) and intermodal management capabilities (including inter-linking land and air transport services).
