

## **Business Continuity at Pacific Forum Line**

25<sup>th</sup> March 2020

Dear Valued Customers & Partners

As we prepare for level 4 Covid-19 alert in New Zealand and manage the operational challenges with our offices in Australia, the Pacific Islands and beyond, we wanted to convey to you that business goes on at Pacific Forum Line.

As an essential service provider, our duty is to ensure that the vessels we operate continue to call between the 24 ports that we service and that suppliers and buyers have the ability to trade.

Our Auckland office will be operating with rotating minimal crew in the office with the vast majority of staff operating remotely. As such we would like to communicate the key email contacts with our organisation:
