PFL Network Update

Dear Valued Customers,

Given the recent network changes announced on the New Zealand to Fiji trade. Pacific Forum Line has worked to provide additional capacity in order to satisfy demand. This has meant that further temporary adjustments are required on our wider network. They are as follows:

Fiji – From September the Capitaine Baret will be deployed into the South Pacific on a *New Zealand – French Polynesia – Fiji* rotation

Tonga/Samoa/American Samoa – The changes to the Tahiti service mean that Tonga will be serviced by the Capitaine Kupe on an *Apia – Pago Pago – Nuku’alofa* rotation

These changes will be reflected in this week’s schedules.

Please do not hesitate to contact your local Pacific Forum Line Representative if you have any questions.

Yours sincerely,

Pacific Forum Line
