### **Re: Australian Container Levy Fee**

Dear Valued Customers,

Pacific Forum Line (PFL) wishes to advise that following a review of the Australian Container Levy fee and applicable costs associated, there is a requirement to upwardly adjust the quantum applicable for both import and export containers.

Effective from the Forum Samoa4 v022N and Southern Moana v021S, the new Australian Export and Import Container Levy will be applied at AUD\$70 per container.

Should you have any questions please do not hesitate to contact our Customer Service Team.

Yours Sincerely
