**Re: Implementation of Cleaning, disinfection, fumigation charges and Container inspection and survey fees**

Dear Valued Customer,

In a continuous and dedicated effort to provide to our customers clean containers and in accordance with the Fijian container standards requirements, Pacific Forum Line (PFL) would like to advise upon the introduction of two charges as per following.

Please find below the details of these charges:

**Effective date:** Forum Samoa 4 v21 eta Lautoka 25/02/20 and Capitaine Dampier v155 eta Suva 14/02/20

**Scope: all import cargo discharged in Fijian ports.**

**Container inspection fees and survey fees amount: USD 5 per Dry container and USD 10 per Reefer container.**

**Cleaning, disinfection, fumigation charges amount: USD 10 per teu Dry and Reefer.**

These charges will be invoiced under the respective consignment and will be collected before the release of import containers.

Please contact your local PFL representative if you have any questions.

Thank you for your understanding and support.

Yours Sincerely
