

The Tasman. We're totally across it.

Facts and figures

Northern loop

Vessels: 2
Direct ports: 2
Round voyage: 14 days

Southern loop

Vessels: 4
Direct ports: 4
Round voyage: 28 days

Across the ditch, here's our pitch.

PFL has the Australia and New Zealand market covered. Looping in all key East Coast Australia with *fixed-day weekly calls* to Auckland and Tauranga, our optimised Trans-Tasman service brings the full benefit of our pan-Pacific Islands coverage on stream too – with even more destinations and departure day options.

With our new weekly trans-Tasman sailings, it's PFL on the double!

Our deliverables

- Two-way, double-loop *fixed-day weekly* frequency optimising supply chain cost-efficiency
- Brisbane-Tauranga transits now only 7 days
- Weekly relay service connections via Auckland and Tauranga to the Cook Islands, Tahiti and Tonga

Northern Loop

Vessels - 2

Transit times

Eastbound	Brisbane

PFL - your Pacific Shipping Line

For over 46 years PFL have been committed to servicing the Pacific region, and we are excited to share our new and enhanced services. These enhancements align network capability and further strengthen connections to and from the Pacific nations we serve in support of our regional partners.

Onforwarding and logistics support? We're with you all the way.

Benefit too from our *logistics* (including inland container transport) and intermodal management capabilities (including inter-linking *land and air transport services*).
