NOTICE TO CUSTOMERS

Fiji Amendment Fee

Dear Valued Customer,

We have recently been advised by Fiji Customs, they now require the vessel manifest to be registered 48 hours prior to the vessels arrival to Fiji Ports. To be able to meet this requirement governed by Fiji Customs. We will require all Shippers Letter of Instruction to be submitted within 24 hours before the vessel has departed New Zealand.

Failure to submit within the allocated time frame will result in FJ\$75 per amendment fee.

Your attention to this important issue is very much appreciated. Furthermore whilst keeping costs and administration to a minimum also enables Pacific Forum Line to maintain the high level of Customer Service within this trade lane.

Thank you for your continued support.

Yours Sincerely,

Pacific Forum Line
