## Notice to Shippers

### New Zealand – PNG service Bunker Adjustment Factor

Dear Valued Customers,

Following review of the IFO 380 fuel prices, Pacific Forum Line wishes to advise that the Bunker Adjustment Factor (PFL) applicable on all export cargo from New Zealand to Papua New Guinea has been revised as outlined below.

#### Revised BAF levels as follows:

USD 750.00 per TEU  
USD 1501.00 per FEU  
USD 37.52 per r/t

#### Effective vessel / voyage

Kwangtung v1818N

For further information, please do not hesitate to contact your local Pacific Forum Line representative.

Yours Sincerely

**Pacific Forum Line**
