Notice to Shippers

Trade Lane: Australia to Fiji

General Rate Increase

Dear Valued Customers,

In order to ensure a sustainable and developing market leading service from Australia to Fiji, Neptune Pacific Line (NPL) wish to advise our customers that upon review of both our operating costs and freight rates that effective 1st of April 2018 a northbound general rate increase will be implemented as follows;

- 1st of April – USD150 per 20ft container and USD250 per 40ft container

This will be effective from the sailing of **Melanesian Pride V002N** with estimated dates as follows:

Eta

Melbourne	11 th of April 2018
Sydney	14 th of April 2018
Brisbane	17 th of April 2018

Any further clarification please contact your local PFL management team

Yours Sincerely
