Dear Valued Customers,

Southern Lily V394 Overbooked

The Southern Lily V394, eta Auckland 04 December is currently over booked.

To ensure that all cargo is delivered to destination prior to Christmas, Pacific Forum Line will be moving Nukualofa freight to the Southern Trader V1393 which is arriving Auckland 30 November.

Southern Trader will deliver this transferred cargo to Nukualofa. The freight will arrive in Nukualofa on the 5th December. This will assist the Southern Lily Voyage 394 over booked situation and also help ensure we maximize liftings prior to Christmas.

Our customer service team will be in touch with you to confirm any changes to your bookings with Pacific Forum Line and PFL Cargo. The forward schedule will be as below.
