Schedule Update – Olomana & Liloa II

Dear Valued Customers,

Please be advised that, Olomana will be replacing Liloa II in the Cook Islands trade.

Liloa II is experiencing an issue with its bow thruster machinery. While Liloa II can continue to perform her ocean carriage responsibilities, she is not able to enter the ports of Rarotonga and Aitutaki without her bow thruster being operational for safety reasons.

Olomana will call the Cook Islands to minimise impact to our customers and any freight on board the Liloa II v029 will load onto Olomana in Apia.

Here is the forward schedule;

<i>Vessel</i>	<i>Apia</i>	<i>Rarotonga</i>	<i>Aitutaki</i>	<i>Auckland</i>
Olomana	13/02/19	15/02/19	18/02/19	25/02/19
